PRODUCT INFORMATION
VINYL RADIOLUCENT IMMOBILIZER STRAP - 14” W

The Vinyl Radiolucent Immobilizer Strap - 14” W is a vinyl strap designed to immobilize patients to imaging tables with or without side rails. This Phillips Safety strap is radiolucent, making it a great product for MRI, CT, and Radiology departments. It features Velcro hook-and-loop fasteners to secure the patient to the imaging table and, due to its high-quality material, it can be easily cleaned with alcohol-free wipes. In addition, the Vinyl Radiolucent Immobilizer Strap - 14” W is available in five different lengths: 60″, 72″, 84″, 96″, and 120″.
