PRODUCT INFORMATION
LIGHT GREEN GLASS BLOWING GLASSES 70PC

The glass blowing glasses Light Green has a polycarbonate light green lens that provides good color recognition for furnace work. These glasses for glass blowing offer excellent UV blocker, excellent IR protection, and good clarity. Recommended for those who work with glass blowing or any hot glass in small/large pieces.

These Light Green Glass Blowing Glasses 70PC have a durable and lightweight wayfarer frame made of high-quality plastic. In addition, the 70PC glass blowing glasses feature removable side shields. Available in black.
