**PRODUCT INFORMATION**  
METAL CONSTRUCTION RADIATION APRON HANGER

The Metal Construction Radiation Apron Hanger is a reliable and stable support to properly store and extend the life of your lead aprons. Made of metal construction, the hook is made of stainless steel and the hanger cross bar is anodized aluminum, making it ideal for radiation workstations. With an overall size of 23 1/4" W x 6" H, it has a 1 year warranty against manufacturing defects.
