PRODUCT INFORMATION
VINYL RADIOLUCENT IMMOBILIZER STRAP - 20" W

The Vinyl Radiolucent Immobilizer Strap - 20" W is a vinyl strap designed to immobilize patients to imaging tables with or without side rails. This Phillips Safety strap is radiolucent, making it a great product for MRI, CT, and Radiology departments. It features Velcro hook-and-loop fasteners to secure the patient to the imaging table and, due to its high-quality material, it can be easily cleaned with alcohol-free wipes. In addition, the Vinyl Radiolucent Immobilizer Strap - 20" W is available in five different lengths: 60", 72", 84", 96", and 120".

SPECIFICATION
