PRODUCT INFORMATION
METAL HALIDE GROWVIEW GLASSES 33

The Metal Halide growview glasses 33 have a polycarbonate green lens filter that provides the protection you need. Boasting a visible light transmission of 23%, these glasses are designed to enhance your growing experience. Made of high-quality plastic, the Metal Halide Growview Glasses 33 offer durability and lightweight comfort. Their rectangular fitover shape ensures a secure fit, and they feature adjustable temples and integrated side shields. Plus, these 33 growview glasses are available in black, combining style and functionality seamlessly.
