PRODUCT INFORMATION
GREEN BEAM LASER POINTER GLASSES 808

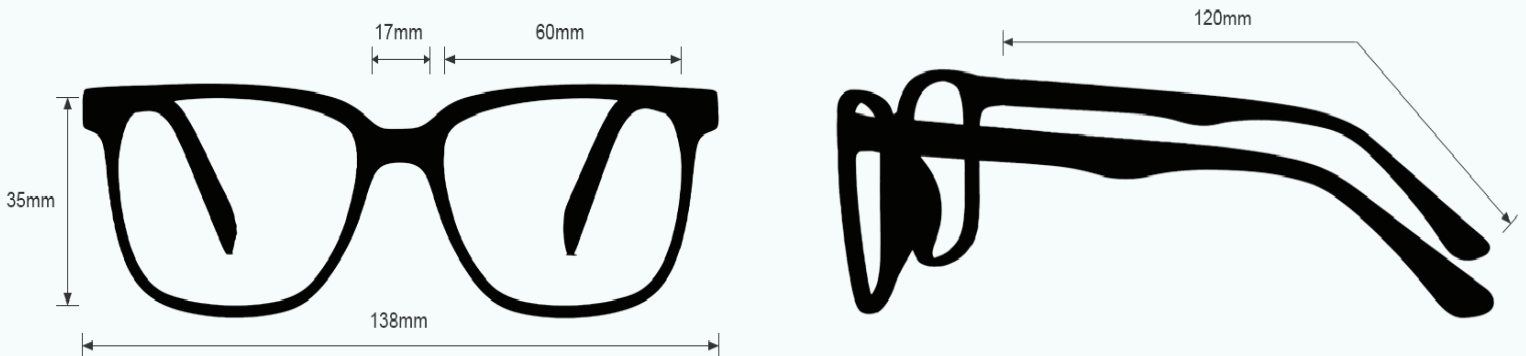

The Green Beam laser pointer safety glasses have a polycarbonate orange/peach lens filter that provides laser protection. These laser strike glasses have visible light transmission of 33%. In addition, the Green Beam laser pointer safety glasses have ANSI Z87.1 and ANSI Z136.1 safety standards. These laser strike glasses 808 are non-prescription. Made of high-quality plastic, it is a durable and lightweight wrap around frame. The 808 laser strike glasses feature rubberized nose pads and rubberized temple bars. These Phillips Safety laser strike glasses are available in red, black and silver.
