The Hard Hat Full Eye is a metal clip-on featuring glass lenses with torching-protective qualities. This lightweight clip-on was designed to fit onto any hard hat or bump cap brim and to be worn in conjunction with your existing safety eyewear. It is available in eight different shades: Green shades 4.0, 5.0, 6.0, 8.0, and Cobalt Blue shades 4.0, 5.0, 6.0 and 8.0. For easy and practical use, this clip-on features a flip-up mechanism that is quickly flipped down to enhance your vision, and then flip back up when not needed. In addition, it easily fits on safety glasses for a comfortable adaptation to the eyes. The Hard Hat Full Eye fully covers the eye region and is recommended for uses with welding, torching, metal cutting, and observation of molten metals. Please note that the hard hat in the image is not included with the clip-ons.
