The Plastic Clip On Flip Up is a polycarbonate clip-on with torching-protective qualities. This lightweight clip-on was designed to be worn in conjunction with your existing safety eyewear and is available in seven green shades: Green shades 1.7, 2.0, 3.0, 4.0, 5.0, 6.0, 8.0, and Cobalt Blue shade 4.0, 6.0, and 8.0. For easy and practical use, this clip-on features a flip-up mechanism that is quickly flipped down to enhance your vision, and then flip back up when not needed. In addition, it has an integral spring clip for secure mounting without screws or fasteners. The Plastic Clip-On Flip-Up fits almost any frame style and is excellent for filtering UV and IR rays.
