**GLASSWORKING WINDOWS AND BARRIERS**

Glassworking windows and barriers are indispensable tools for individuals engaged in various glassworking activities, from lampworking and flameworking to glassblowing. Phillips Safety, a trusted name in protective eyewear and equipment, offers a range of products designed to ensure the safety and productivity of glassworkers.

One notable product in the Phillips Safety lineup is the Lampworking Window Phillips 202. This window features a specialized glass violet lampworking lens, which not only provides excellent color recognition for soft glass but also offers several crucial benefits. With top-notch UV blocking, good IR protection, excellent sodium flare blocking, and outstanding clarity, this window is a must-have for those working with lampwork or hot glass. It comes in various standard sizes and can be customized to fit specific needs, making it versatile for different applications.

For glassworkers seeking both mobility and protection, the Sodium Flare Poly Lampworking Mobile Barrier is an innovative solution.

**CATEGORY INFORMATION**  
**GLASSWORKING WINDOWS AND BARRIERS**

This mobile standing barrier boasts a large viewing window with a polycarbonate purple glassworking lens, ensuring good color recognition for soft glass. Beyond its protective lens, this barrier features high-quality rolling casters and locking mechanisms to keep it securely in place during use.

The Sodium Flare Poly Lampworking Mobile Barrier is ideal for various glassworking applications, from daily observation and supervision to creating a safe barrier between workbenches and doorways, as well as accommodating visitors. It provides a safe and movable viewing area without the need for sharing eyewear, enhancing both safety and efficiency in the glassworking environment.

Phillips Safety offers a range of glassworking windows and barriers designed to meet the diverse needs of glassworkers. These products prioritize safety, color recognition, and clarity, making them essential tools for professionals in the industry. Whether you're involved in lampworking, flameworking, or glassblowing, these solutions from Phillips Safety can help ensure a secure and productive workspace.
