PRODUCT INFORMATION

SODIUM FLARE POLY LAMPWORKING BENCH MOUNT SHIELD

The Sodium Flare Poly Lampworking Bench Mount Shield is a bench mount shield that offers the same protection as our standard glassblowing eyewear. It features a bendable arm that allows you to reposition the acrylic filter to the optimal position, and a large viewing area of 5 inches round filter that provides eye protection.

This shield uses a Sodium Flare Poly filter that has good color recognition for soft glass and provides excellent UV protection, sodium flare blocker, and clarity. We recommend this shield for individuals who work with small pieces of lampwork or hot glass.

SPECIFICATION

WINDOW SIZE: 5"

WINDOW MATERIAL: Polycarbonate

FEATURES: Window, Bendable arm

GLASS TYPE: Soft Glass

GLASS WORK: Small Glass Work

LAMPWORKING GLASSES
