

SAFETY GLASSES

MODEL 21509

FRAME INFORMATION

The Safety Glasses 21509 have a wrap-around frame made of high-quality plastic. The 21509 model is lightweight, highly durable, and impact resistant. Plus, it features rubberized nose pads and no-slips temples for superior comfort. These Safety Glasses are available in a black frame with two lens variations: clear or smoke. They also meet rigorous ANSI Z87+ and EN 166 industry standards, offering high impact certification for optimal protection.

Moreover, the Safety Glasses 21509 have an RX insert, which makes them prescription available.
