

SAFETY GLASSES

MODEL TP280

FRAME INFORMATION

The Safety Glasses TP280 are a wrap around frame made of high-quality plastic. The TP280 model is lightweight, highly durable, and impact resistant. Plus, it features rubberized nosepad and temple bars. These Safety Glasses are available in black with camo. They also meet rigorous industry standards, with ANSI Z87+ and EN 166, offering high impact certification for optimal protection.

Moreover, the Safety Glasses TP280 offer three lens choices. The first is a frame-only option. The second is clear safety lenses with anti-fog properties, ensuring impact resistance and fog prevention. The third option includes Transition gray lenses, ideal for indoor and outdoor use, transitioning from clear when indoors to gray in sunlight.
