

# SAFETY GLASSES

MODEL SQ5062

## FRAME INFORMATION

The Safety Glasses SQ5062 have a round frame made of high-quality plastic. The SQ5062 model is lightweight, highly durable, and impact resistant. Plus, it features permanent side shields for additional lateral protection. These Safety Glasses are available in nine color variations. They also meet rigorous industry standards with ANSI Z87+ certification, offering high impact certification for optimal protection.

Moreover, the Safety Glasses SQ5062 offer three lens choices. The first is a frame-only option. The second is clear safety lenses with anti-fog properties, ensuring impact resistance and fog prevention. The third option includes Transition gray lenses, ideal for indoor and outdoor use, transitioning from clear when indoors to gray in sunlight.
