PRODUCT INFORMATION

CERVICAL PATIENT POSITIONING SANDBAG SET - 10 LB 11" X 11"

The Cervical Patient Positioning Sandbag Set - 10 lb, 11" x 11" is crafted from premium, medical-grade heavy-duty black vinyl to provide dependable weighted immobilization for x-ray procedures. Designed to help technologists position patients with accuracy and ease, each sandbag features a heat-sealed inner sleeve to prevent leakage, a reinforced outer cover for long-lasting durability, and sturdy webbing handles for easy placement and transport. The smooth vinyl surface cleans quickly with any medical-grade disinfectant and supports use across therapeutic, rehabilitation, interventional, general positioning, and veterinary applications.

This Cervical Patient Positioning Sandbag Set includes two sandbags, each weighing 10 lb and measuring 11" x 11".
