

# SAFETY READING GLASSES

## MODEL SQ5062

### FRAME INFORMATION

The Safety Reading Glasses SQ5062 have a modern round frame and anti-fog lenses. These safety glasses feature magnifying lenses which reduce fatigue and eye strain. Made from high-quality plastic, the SQ5062 safety glasses have integrated side shields for additional protection.

In addition, the SQ5062 has our exclusive permanent anti-fog coating technology, which guarantees that the lenses of these reading glasses will never fog. Plus, the SQ5062 reading safety glasses are available in nine color options. They also meet rigorous industry standards and are ANSI Z87-2+ approved for optimal protection.
