

RADIATION SAFETY GLASSES

Oakley Lead Glasses Leadline

FRAME INFORMATION

The radiation glasses Oakley Leadline feature high-quality, distortion-free SF-6 Schott glass radiation-reducing lenses with 0.75mm Pb lead equivalency protection. These Oakley lead glasses have clear CE Certified Lens and weigh 66g for the smaller size or 67g for the larger size. Plus, the Oakley Leadline radiation glasses are prescription available. Made of high-quality plastic, they have a durable and lightweight rectangular frame. These lead glasses feature rubber nose pads and adjustable rubberized temple bars for superior comfort and are available in two frames sizes and five color variations.
