PRODUCT INFORMATION
LIGHT GREEN GLASS BLOWING GOGGLES RK2

The glass blowing glasses Light Green have a polycarbonate light green lens that provides good color recognition for furnace work. These glasses for glass blowing offer excellent UV blockers, excellent IR protection, and good clarity. Recommended for those who work with glass blowing or any hot glass in small/large pieces.

The Light Green glass blowing goggles RK2 are non-prescription and made from high-quality, lightweight plastic. Their wrap-around frame design provides enhanced coverage, while their foam eyecup helps create a secure seal around the eyes for added protection. Plus, an adjustable head strap ensures a comfortable and secure fit. These Phillips Safety glass blowing glasses are available in black.
