PRODUCT INFORMATION
SODIUM FLARE POLY LAMPWORKING GOGGLES RK2

The lampworking glasses Sodium Flare Poly have a polycarbonate purple glassworking lens that provides good color recognition for soft glass. These frameworking glasses offer excellent UV blocker, excellent sodium flare blocker, and good clarity. Recommended for those who work with lampwork or hot glass in small pieces.

The Sodium Flare Poly lampworking goggles RK2 are non-prescription and made from high-quality, lightweight plastic. Their wrap-around frame design provides enhanced coverage, while their foam eyecup helps create a secure seal around the eyes for added protection. Plus, an adjustable head strap ensures a comfortable and secure fit. These Phillips Safety lampworking glasses are available in black.
