PRODUCT INFORMATION
GREEN BEAM LASER POINTER GOGGLES RK2

The Green Beam laser pointer safety glasses feature a polycarbonate orange/peach lens filter that provides reliable laser protection. They have a visible light transmission of 33%. In addition, the Green Beam laser strike glasses meet ANSI Z87.1 and ANSI Z136.1 safety standards for impact and laser safety.

The RK2 laser pointer goggles are non-prescription and made from high-quality, lightweight plastic. Their wrap-around frame design provides enhanced coverage, while their foam eyecup helps create a secure seal around the eyes for added protection. Plus, an adjustable head strap ensures a comfortable and secure fit. These Phillips Safety laser strike glasses are available in black.
