PRODUCT INFORMATION
RADGENIC® LEAD FREE BLANKETS
RADG-BLNKT

The Radgenic® Lead Free Blankets serve as essential protective shields, specifically designed to safeguard the patient's gonadal area during x-ray imaging. Simply draped over the patient during procedures, these blankets provide .5mm Pb equivalence and are available in sizes ranging from infant to adult. Engineered with our Radgenic technology for easy disinfection, these reusable patient shields offer reliable protection with a focus on hygiene and safety.

2-Year Warranty – Radiation protection apparel is covered against manufacturing defects.
